English 10 Educational Career Action Plan Homework Assignment- INTEREST PROFILER

October 1, 2013

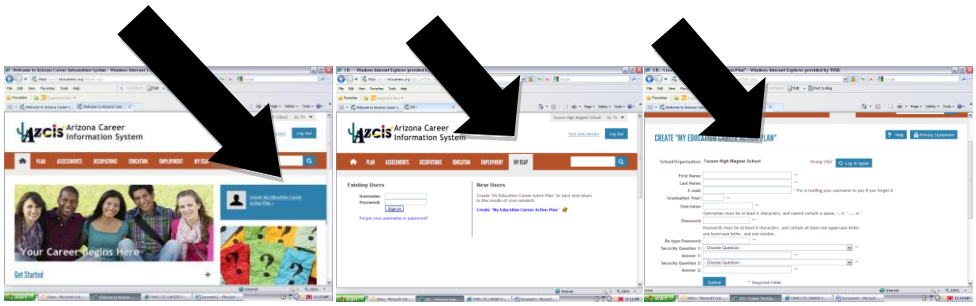
<u>Objective:</u> The student will utilize the AZ Career Information System so that they can utilize all of the career, school and assessment tools to build their own Educational Career Action Plan and prepare for Post Secondary training.

<u>Assignment:</u>

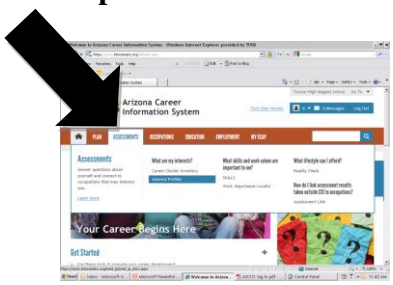
- **Interest Profiler**- Students will answer questions about the things they like and dislike so they have an idea as to what careers would best suit them.
- **Reality Check**- Fun activity for students to determine what they need to earn to afford the lifestyle they want to live.

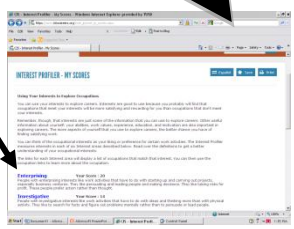
Step 1: Create an Account on the AZCIS website:

Log in to the site:
Website: www.azcis.intocareers.org
Username: tucsonhms
Password: 4azcis02
Log in to your own account (Very Important!!!)
Create your own ECAP (Educational Career Action Plan) **OR** login to existing account – Complete the information and ***<u>write down your login and password for next time.</u>***



Step 2: Click on Assessments and then Interest Profiler



Step 3: Answer all of the questions, not in terms of a career, but rather activities you want to do. Get your results and Save. <u>** If you do not save you will not get credit for this assignment</u>**


It will show you your ranking of career preferences in the following categories: Realistic, Investigative, Artistic, Social, Conventional and Enterprising. Click on each ranking to see which jobs you are best suited for.
Each career will give you the
Educational level and the salary range.
